About the Race

Get ready to lace up those running shoes to race for a great cause!

May is Brain Cancer Awareness Month! The Field House Cancer Foundation is hosting it's first annual 5K Run fundraiser to bring awareness and raise money to provide financial assistance to families impacted by cancer.

Why Support the Race?

The Field House Cancer Foundation was founded in 2023 by a dedicated team inspired by a personal journey with cancer. The Foundation's mission is to bridge the financial gap for patients and their families during cancer treatment.

In 2025, the Foundation **provided support to 14 families** with **more than \$20k** in financial support. We're excited to continue this support momentum into 2026 and beyond.
